

## Issues Log **UPDATE** April 2026

This log is in order of information received, **not** in order of priority. (The order of priority indicated is FOCOP's not RDC's.)

Date Issue Raised/updated	Description/Location	Priority	Progress to date	
April 2026	Badger excavations along the bridleway at <a href="http://jacket.sports.icon">///jacket.sports.icon</a>	<b>Medium</b> Riders to take extra care.	RDC advised	
July 2024	Steep path down from NE corner of the lake to the stream - becoming more dangerous, especially when wet.	<b>High</b> Health and Safety	A large undertaking, to be considered in the next financial year	
July 2024	Reed edging to lake, planted by EWT. Failed to take.	<b>Low</b>	RDC will look into this and hopefully replace reeds when budget allows.	
March 2024 Ongoing illegal park access	The concrete blocks preventing access to the park from the meadow adjacent to New England Wood have been moved again. Horses accessing and riding in the fields.	A legal issue for RDC.	RDC Legal department dealing with this.	
October 2022	Improve the current path through the plantation east of the byway at Pooh Sticks Bridge, to offer an alternative route when the streamside path is flooded/waterlogged/muddy.	<b>Medium</b> Enjoyment of the park	Work being costed	
May 2021	Steps down from Edwards Hall Park (SCC) into Cherry Orchard Park – additional step needed. Very slippery when wet.	<b>High</b> Health and Safety	Contact made with SCC who agree RDC may make improvements. Cost to be met by RDC/FoCOP ?
